Fujitsu Names Sole Distributor for Western Canada

Effective January 2, 2020, Fujitsu General has named The Master Group sole distributor of Halcyon Ductless product in Western Canada.

With a long history selling Fujitsu Halcyon split systems and Airstage VRF products in both Eastern and Western Canada, The Master Group will be serving all Fujitsu customers in Manitoba, Saskatchewan, Alberta and British Columbia.

"We're excited to expand our relationship with The Master Group," said Matt Peterson, Fujitsu General America President and C.O.O. "They've been a great partner for years, and we feel they will add great value as we grow in Western Canada."

"Fujitsu is one of our most important partners, and will become even more important as north America continues moving to strategic electrification," said Neil McDougall President of Master.

The Master Group has 43 locations, 12 in western Canada alone, and has been serving the heating and cooling industry in Canada for 67 years.
